November 27, 2012

Dear Friend and Supporter,

The Grenada Cultural Association Inc, a 501C3 Tax Exempt Non-Profit Organization, will be hosting the 25th Annual Dinner and Dance at the Sheraton Hotel 1825 Griffin Road, Fort Lauderdale FL 33004 on Saturday, February 9th, 2013. This event is a platform for recognizing the students who will be receiving scholarships for the year. We will also acknowledge contributions of distinguished individuals who have exemplified the highest qualities of citizenship, through their community service. Additionally, in honor of this year's theme, **Youth**, we will host special invited guests that represented Grenada in the 2012 London Olympic Games.

To maintain continuity of our efforts, we are soliciting the support of our partners with donations of goods (gift cards in any amount), services or any monetary contributions to ensure that the goals for our community activities and scholarship funds for the upcoming year are met. We have prepared for your consideration a sponsorship package that is available for this year's events. It is our hope that you will give favorable consideration to our request for your participation as a sponsor.

This organization's commitment to community service remains unwavering, as we chart new horizons in the delivery of services and scholarship. We are also committed to contributing to the needs of our South Florida community for youth missions and other charitable causes. Consistent with these objectives, the officers and members of this organization continue to work towards achieving its objectives.

The Grenada Cultural Association is proud of the positive response to our outreach activities and stand ready to engage in dialogue with other organizations to ensure that our mutual interests are fostered, developed, nurtured and maintained. To this end we affirm our solemn pledge to continue with the constructive development of the relationships between our native country, our countrymen and our professional networks in this our adopted home. We thank you in advance for your favorable response and await confirmation of this request.

Respectfully,

Sherry B Peters

President

Dear Friend and Supporter:

Thank you for your support and alliance. With your monetary contribution or donations of goods (gift cards), or services will allow us to host this year's charitable and scholarship dinner. Part of your donation will go directly to youth programs such as YWCA of Grenada to maintain support for young women and girls in transitioning from foster care to independent living. Another portion will be used to help fund the equipment and athletic needs of the leading youth sports club, Speed Zone Youth Athletic Club. An organization that gave 2012 Olympic Gold medalist Kirani James got his start. Additional contributions will be spent towards making provisions for hosting our scholarship recipients for our annual essay contest.

Primary contribution levels will grant you space in our annual member booklet, mentions in our commercial ads, posting on our website, mentions in our e-blasts to our membership and contributing partners and print advertising at our annual charitable ball to at least 250 of our membership.

It takes a community to do the works that matter in the presence of youth to see the effects of positive permanent change. With your help and support, whether it's with your active presence or your generous gifts, we say Thank You. Your contributions are essential for the life and progress of the association. Year after year we count our blessings that we are in your thoughts and hearts which keeps us alive throughout the community and abroad. We will continue with the mission to support and serve where we see a need and with your help we will "aspire, build and advance" Thank you.

Respectfully,

Sherry B Peters
